

## **“President’s Message”**

Excitement is building for our **Annual Club Championship on Sunday, October 2<sup>nd</sup>** which also marks the beginning of National Trapshooting Month.

### **A Great Program!**

This event is a highlight of the year for our Club and your Board of Directors prepared an extraordinary program that is unique among similar type events in Pennsylvania Trapshooting circles. There are Shamrock Leather awards, Free Lunch for all shooters, a boosted Lewis Class Event, a terrific group of Gold, Silver and Bronze sponsors and Yards Brewing Company returning as a Corporate Sponsor for the 2<sup>nd</sup> year in row.

### **Event #2 Changed to Increase Participation**

“Event #2 - Handicap” has been reduced from 100 targets to 50 targets (at the 23 yard line for all shooters) to increase shooter participation. We know some members are enthusiastic about trapshooting but have been reluctant to shoot Handicap Events. This is a great opportunity to give it a try in a friendly competitive environment. To support this initiative, Trap # 4 will be open and set up for practice at 23 yards on Tuesday, September 20<sup>th</sup> and 27<sup>th</sup> beginning at 3 pm and will stay open at that distance as long as we have shooters. Chuck, myself, Scott Davis and some of our other Directors will be available to help anyone who wants to shoot a round at 23 yards and build confidence. Please ask us.

### **Thank you!**

Our club has made great progress this past year thanks to our outstanding and generous members and we thank you. We invite everyone – our trapshooters, their families, and supporters to spend the day with us on October 2<sup>nd</sup>.

(Please put this special day on your shooting calendar.)

Thank you!

Bob Kappe-President
